Profile

I am junior Frontend Vue.js Developer, Passionate about creating responsive, visually appealing web applications. I am proficient in HTML5, CSS3, JavaScript, Vue3.js, Vuetify3, Pinia (State Management), framework for CSS like (Bulma, Bootstrap), and I have good knowledge of JQuery. I am always looking for new ways to bring my designs to life. In addition to my skills, I enjoy collaborating with others to find the best solutions and I look forward to learning from new challenges and gaining valuable experiences in my field.
